17th April 2008 For immediate use

HL Games USA is proud to announce that **AmuseAmaze®** – the spellbinding word race game has been selected as a winner in the **MindGames®/Mensa Select® Awards 2008**.

“This is a real honor” commented Graeme Thomson, Director of the Chicago-based HL Games. “We are delighted that **AmuseAmaze®** has been chosen for this highly prestigious and much-coveted award”.

Past **Mensa Select®** winners include **Trivial Pursuit**, **Scattergories** and **Apples to Apples**.

The competition involved more than 200 Mensa members from all corners of the United States playing, reviewing and judging new board games. Throughout the marathon game-playing event that ran from April 11-13, the members of the high IQ society evaluated more than 50 new to market board and card games on a number of different criteria: aesthetics, instructions, originality, play appeal and play value. The 5 games that rate the highest are named **Mensa Select®** and may display the **Mensa Select®** seal on their packaging.
